Deluxe master bedroom

Classic elegance with a contemporary twist creates the relaxing mood in this master bedroom. When we commenced this project, our clients briefed us that their wish was for a luxury bedroom that would be a joy to retreat to at the end of the day.

When we set to work, we started putting together a colour palette that was warm, yet classic enough to stand the test of time.

We combined a variety of luxurious fabrics, rich in textures. The chocolate brown, crushed velvet-buttoned headboard, window seat, vanity stool,

bed throw and bed base add definition to the softer tones reflected by the window treatments and walls.

The shimmered finish wallpaper adds instant warmth to this generous-sized room and also highlights the beautiful coving and joinery details.

We painted the existing cherry wardrobe and vanity units, which immediately transformed the room into a more inviting and brighter space. Opulent curtain fabric – embossed with a shimmer background – frames the more contemporary suede blackout Roman blinds.

To finish the window treatments, we added beautiful glass finials to the end of each majestic antiqued brass curtain pole.

Lush-to-the-touch patterned fabric was used to upholster the clients own wingback chair – the gorgeous upholstery fabric of the chair has a pattern that changes with the choices of lighting moods.

Finishing off the window seat with bolster cushion, we specified calming natural tones on the roll with a side button silk detail. Fantastic ceiling heights allowed creative space for a feature ceiling

step detail, which mirrors the room shape. The inclusion of coving in this step detail gave the room the most fantastic finish.

Furthermore, the magnificent feature pendant light pulls together all the tones and colours in the room, while the shades both defuse the light and add warmth.

Joinery details, such as the window seat and the radiator cover, also give this room the finesse it deserves. Altogether, the design detail and custom made finishes set the scene for splendid and luxurious rest.
